Examine a few passages that point to the Trinity: Matthew 28:19, John 10:30, 2 Corinthians 13:14, Isaiah 9:6, John 1:14. What insights do you learn about the inner workings of the Trinity from these passages?

Jesus was led by the Spirit into the desert, where he was tempted. Does that seem like a strange place for the Spirit to take him? How do you explain it?

If God is a loving, relational fellowship within himself, how does that impact how we live our lives?

The sermon talked about the Trinity bringing God our direction. In what way would you want to see God moving toward you right now?
